ORDER:

In the Government Order first read above, the Government have approved a separate rule namely the New Town Development Plan for Chennai Metropolitan Area (Preparation, Publication and Sanction) Rules, 2022 under Section 18 and Sub-section (1) and Clauses (i) and (j) of Sub section (2) of Section 122 read with Section 18 of the Tamil Nadu Town and Country Planning Act, 1971. (Tamil Nadu Act 35 of 1972).

2. In the letter second read above, the Member Secretary, Chennai Metropolitan Development Authority has stated that, the Chengalpattu town forms part of Chengalpattu district which was carved out of erstwhile Kancheepuram district in 2019. Being a newly formed district, the administrative capacity building is under progress and hence there is great potential to develop the present node into an Urban Growth center by improving the existing Physical, Social and Economic Infrastructure. The preparation of Master Plan for Chengalpattu is also needed in due course owing to the Proposed Extension of Chennai Metropolitan Area boundary encompassing major portion of Chengalpattu district, thereby attracting population growth and shift in economic dynamics.

3. He has also stated that, a study was done for the purpose of delineation of planning area boundary for the proposed Chengalpattu New

Town, that includes 60 villages from Chengalpattu, Thirukzhukundram and Thiruporur Taluk. The Authority has resolved to approve the preparation of New Town Plan for Chengalpattu by engaging a consultant.

4. He has further stated that, the total area included for the Master Plan for Chengalpattu is 136.25 Sq.km. The contiguous villages around the central core of Chengalpattu town, bounded by natural boundary of Palar river on the west, GST Road and Mahindra City/Singaperumal Koil on the North, several non-continuous hillocks on the east along with the New Administrative Headquarters on the south have been considered for delineation of planning area boundary. This will provide a comprehensive approach to redevelop the existing haphazard developments within the Town Centre; tap the potentialities of the upcoming new Residential, Commercial, Industrial and Institutional activities along the GST Road, Chengalpattu - Thiruporur Corridor and Chengalpattu - Walajabad Corridor; and regulate the sprawl of developments - owing to the limited availability of land filled with several physiological features that are to be conserved.

5. The Member Secretary, Chennai Metropolitan Development Authority has, therefore, requested the Government to approve the sketch showing the delineated area for the proposed New Town development and a project proposal along with the draft notification for the declaration of Government intention to specify the delineated area as the site for a New Town Development Area under Section 10(1) (c) of Town & Country Planning Act, 1971.

6. The Government, after careful consideration of the above proposal of the Member Secretary, Chennai Metropolitan Development Authority have decided to declare the intention of the Government, to notify the 60 Villages included in the delineation of boundary for the proposed New Town at Chengalpattu appended to this Government Order.

7. The appended Notification will be published in the Tamil Nadu Government Gazette.

8. The Collector of Chengalpattu District is directed to republish the Notification in the District Gazette.

9. The Director of Translation, Chennai - 09 is directed to arrange to have the Notification translated into Tamil and to forward the translation urgently to the Collector of Chengalpattu District under intimation to the Government.
